COORDINATOR'S NEWSLETTER

April 2010

CONGRATULATIONS NEW OFFICERS!

As new officers take their place in your chapter, please support them in their work. Whether they are continuing in a previous position or stepping into a brand new one, they all need support. So many of us want to sit back and let everyone else do the work, but remember that a chapter needs volunteers to run smoothly. If you don't hold an office, won't you consider helping out in other ways. Maybe you can think up a new contest or be the official "new member welcomer." Ask your leader for some ideas on how you can contribute.

OFFICER CHARTS

As I get ready to distribute this newsletter, I find that several chapters have not sent me their L-001 Officer Chart for 2010. I must have your chapter's chart before you can install your new officers. Please, if you have not already done so, get your chart in the mail to me right away. This will keep your chapter on the active list, and you will continue to receive information and programs from headquarters.

SRD UPDATE

As the last few registrations roll in, it looks like we will have a nice-sized gathering. Of course, I am always hoping for bigger attendance. SRD is the one time each year when get together, see old friends, make new ones, and of course, pay tribute to all our winners from the previous year. Each year is special, especially for graduating KOPS and our royalty, but every member should feel special.

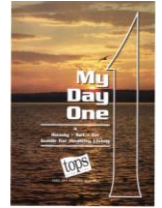

Have you found an old formal in the closet you can drag out for Saturday's events? I hope so. I found something that will fit the occasion. Remember, you are all movie stars that day. Look the part!

JUST A
REMINDER!
SRD T-shirt
orders due
April 10th!

MY DAY ONE

A word to new leaders: a current MY DAY ONE must be given to a new member the very day he/she joins your chapter. This is required. If you have none to give, let me know, and I will send you some. The ones I do send are strictly for new members. Current members received their new version in the January TOPS News. Replacement MY DAY ONE pamphlets for members who have lost theirs or want another copy may be purchased online. Also, if you still have the old turquoise ones, throw them out. Distribute only the new version with the sunrise on the front.

TOPS NEWS ONLINE NOW

Starting with the April/May issue, TOPS News will be available online for all members. You can see the entire magazine the day TOPS sends the magazine to the post office for delivery. On the front page, you can click on any article and it'll take you right to that page. Once there, you can zoom in to read it more clearly. You can also click on the Pages tab on the left and see all the pages (thumbnail version) at once. What a great tool for chapters and program leaders. After logging on as a member at www.tops.org, click on TOPS News Online in the column on the left.

LOOKING FOR INPUT

Are you getting bored with all my stuff? I'd loved to have some input from chapters each month. Wouldn't it be nice to expand to a two-page newsletter! Contact me if you want to be a "cub" reporter for your chapter.

Aloha,

Suzy
